Wonderful! Looks great to me – I'll work with Pascal to get these task orders through ASAP, and let you know as soon as we have the breakdown by contractor.

Thanks,
Amelia

Hello Amelia:

Good catch!

I attached the updated list. I changed Grass Valley to a Full Review at ~\$ [REDACTED] and, was then able to add a Local Limits Review for Irvine Ranch WD to maximize our use of the funds.

Please review and let me know if this looks good to go.

Thank you,

Hi Russell,

Thanks, this all looks great. I have just one more question: did RB5 want a program review on Grass Valley? Or just a PCA? Looking back at their email from 5/8 it sounded like they were asking for a review of the program submittal, but I wanted to check with you...

Thanks again,
Amelia

Hello Amelia:

I have attached a revised Contractor PT Work list. I assumed Paso Robles would just need the review at ~\$ [REDACTED] and not a full review plus a PCI. I changed Dinuba to a PCI also.

Please review and let me know if this looks good to go.

Thank you,

Oh also, for Dinuba, it looks like the request is for a Program Needs Assessment? We typically classify these as a type of "PCI," since the costs and work output are generally equivalent.

Thanks Russell! If Paso Robles does need a full program review (and I'm guessing it probably will, since it's a new program submittal), the cost estimate for that is ~\$ [REDACTED]

Hello Amelia:

I added a column with a note by each review task.

It looks like Paso Robles is the only full program review. I have a call into Sheila to clarify exactly what's needed here. If it's a full review, let me know the cost and, I'll adjust our list to drop another task as needed to fit the \$ [REDACTED] budget.

Thank you,

Hi Russell,

Just had one question (left you a voicemail about this as well): for the items indicated as "Revs", are these individual component (i.e. local limits, ERPs, legal authority revisions, etc.) reviews or total program reviews?

Thanks,
Amelia

Hello Amelia:

I have attached our "wish list" of contractor Pretreatment support tasks for FY 2014/2015.

Can you let me know which contractor is assigned the specific tasks when you get them assigned?

Please contact me if you have any questions.

Thank you,
